COMPANY PROFILE

Giant Uganda Company Ltd. is the pilot of aluminum industries. We own the whole production procedures from aluminum profile R&D, molding, aluminum profile produce, surface treatment, to the aluminum windows, doors, partitions, glass curtain wall installation.

As the no. 1 aluminum profile manufacturer in East Africa we have various supporting dies and the up to date casting workshop, 1000 tons extruding lines, anodizing plant, powder coating plant and other modernization production facilities and power support. Ensure our annually aluminum profiles production capacity up to 25,000 tons. professional engineers and nearly 200 skilled workers plus our complete management systems. we can provide our esteemed customers good quality aluminum profiles @ competitive price. We are not only supply aluminum profiles but also undertake the installation engineering. Our products are hot sale at Uganda inner market & neighboring countries such as Rwanda, Congo, South Arica, Kenya, Tanzania, etc. We welcome all customers to visit our factory and office for mutually co-operation and double win.

CHAIRMAN'S SPEECH

There is an old saying in Chinese : Carving something while giving up halfway, Deadwood can't be carved, but if we persevere in carving, Metal and stones are able to be shaped well. The meaning of "persistence" on our Giant Aluminum performance is particularly important, Nearly 10 years development. It developed from a few workers in a factory to nearly 200 staff's enterprises.

The Giant becomes a professional Aluminum profile manufacturer, which has a complete set of production systems from R&D. Producing, Sales, Processing to installation besides it is making a huge effect in this industry even throughout Africa. The stable sales network covering the whole country & neighboring countries & regions. The achievement of Giant today attribute to that we always adhere to the philosophy of "Quality First, Reputation First, Customer First", Earnestly implement the quality policy of, "Quality is much heavier than mountains, Customer satisfaction above all else", and abide the commitment of honestly managing company.

Meanwhile, as a foreign company, we got a lot of local government support & Customer's trust & love. Here, I give all my heartfelt thanks to all of you on behalf of all the staffs ! Reviewing the past, we have lofty sentiments : looking to the future, we are full of confidence, we will exert our advantages, ally the strength, and mobilize enthusiasm of staff in order to make the company more powerful. By all these efforts, the Giant Aluminum will become a modern enterprise with powerful strength. Broad prospects, a galaxy of talents & harmonious development.
